## Creekside Activities

**All Creekside Activities are FREE and held at Creekside Park! Jean Keene, Environmental Education Specialist for Keystone State Park is the instructor for ALL Creekside programs.**

### All Systems Go

**AGES: 4-10 YEARS**

From macro to micro, habitats and ecosystems are all around us. Join us for a walk to discover the habitats and ecosystems that can be found on the Creekside Trail!

**DATE:** Sat., 9/15  
**TIME:** 12-2 pm

### Geological History Stroll ALL AGES

Join environmental educator Jean Keene for a walk through our Geological history, where we convert 5 million years into one step!

**DATE:** Sat., 9/29  
**TIME:** 12-2 pm

### A Meet and Greet with Trees ALL AGES

*‘I took a walk in the woods and came out taller than the trees’ – Henry David Thoreau*

Come as we explore the beautiful fall foliage and are introduced to tree identification. Environmental Educator Jean Keene will guide you along this useful and fun adventure on the Creekside Path.

**DATE:** Sat., 10/27  
**TIME:** 12-2 pm

### Scavengers, Decomposers and Detritivores, Oh My! ALL AGES

Learn all about nature’s cleanup crews! We’ll investigate moss, lichens, mushrooms and other fungus. We will also explore a fallen log, while keeping a lookout for other scavengers such as opossums and vultures.

**DATE:** Sat., 11/3  
**TIME:** 12-2 pm
