You can run a **VIRTUAL 5K** and be part of our community even from a distance! Register under **Virtual TURKEY TROT 5K**, send us a picture of your time (it can be a picture of your 5K time on a treadmill, your steps from your FIT BIT, Garmin results, etc.) and we will send you a **28th Annual Turkey Trot Commemorative Race T-Shirt**. (*The cool long sleeve shirts all your relatives wear at Thanksgiving dinner!*), and a race number for participating. If you get us your results by Monday, Nov. 22, your results will appear on the **Run High** website with our other racers!
