**Beautiful Bats  ALL AGES**

Join Environmental Education Specialist Jean H. Keene of Keystone State Park to celebrate National Bat Appreciation Day. Activities and games will focus on bat behavior, biology, ecological role, and more. At dusk, we'll see if we can spot any. Be sure to bring flashlights to see your way back to your vehicle at the end of the program.

**DATE:** Friday, 4/17  
**TIME:** 7-9 PM

---

**Full Moon Walk**

Join us for a walk under the full moon on Creekside Trail. As we walk we'll enjoy the moon while learning how it was formed, how it impacts life on our planet, and more. Bring flashlights, wear comfortable shoes and dress for the weather. This program will be canceled in the event of cloudy or inclement weather.

**DATE:** Thursday, 5/7  
**TIME:** 7-9 PM

---

**Pollinator Pals  ALL AGES**

Come see what all the buzz is about! We will explore the Creekside Path in search of pollinators such as bees, butterflies, hummingbirds, and more, all while learning about how pollination works and the different types of pollination. Wear comfortable shoes and dress for the weather.

**DATE:** Saturday, 6/20  
**TIME:** 2-4 PM
