People for Parks...Parks for People

Our department strives to offer quality parks and programs to all the Greater Latrobe School District residents. Maintaining playgrounds, pavilions, ballfields and open green spaces takes a lot of resources. Unfortunately, over the last 20 years our funding has stayed consistent while labor, equipment, and fuel has increased. Now COVID-19 has presented more challenges to our 501c3 non-profit budget. Please help us so we can continue our mission to serve the community. All donations gifted to the department will be acknowledged by a letter from the Parks and Recreation Commission. Funds generated by these donations will be used to maintain and operate our parks system.
